AMENDMENT "B"

Sir:

The amendment and remarks herein are submitted in conjunction with a Request for Continued Examination, and are responsive in a timely manner to the Office Action dated September 4, 2002, having a period of response set to expire on December 4, 2002.

The following amendments and remarks are respectfully submitted:

In the drawings:

No amendments to the drawings are requested herein.

In the specification:

No amendments to the specification are requested herein.

In the claims:

Sub B1  
1. (Amended) An electrical connection structure for terminating an electrical signal wire and electrically coupling the electrical signal wire to a target circuit board, comprising:
